PROFESSIONAL EXPERIENCE

Global Consulting Group (GCG)

Clayton, Victoria

President

November 2025 – Present

- Leading a 60-member pro bono consulting branch, driving clear vision, trust and stronger consultant development.

Project Manager

July 2025 – October 2025

- Reduced 5+ hours of manual reporting weekly and increased philanthropic funding success by 50% through leading a cross functional team of 5 consultants to build a scalable impact measurement framework for a youth mentoring nonprofit.
- Achieved 100% client satisfaction score through conducting 10+ interviews ensuring full adoption of recommendations.
- Attained 90% team satisfaction score by coaching 5 consultants through structured feedback loops, instilling confidence.
- Won "Best Project, Slide Deck & Presentation" out of 4 engagements for strategic insight, leadership and concise delivery.

External Relations Officer

January 2025 – June 2025

- Secured 4 new projects through coaching 5 officers a data-driven outreach method to streamline cold outreach.
- Drove a 20%+ conversion rate from cold outreach to project interest through effective stakeholder management.
- Increased consultant applications by 25% by presenting in front of 80+ prospective consultants about GCG's social impact.
- Awarded "Best Officer" out of 25 officers for excellence in client acquisition, relationship building, and team impact.

Coles Group

Hawthorn East, Victoria

SAP Engineer Intern

July 2024 – December 2024

- Reduced average incidence response time by 20%, supporting 10+ analysts by building an automated error notification tool.
- Decreased manual reporting by 6 hours/week by automating reporting process, improving visibility for business analysts.
- Increased cross team alignment by going beyond my role to develop a roadmap to address inefficiencies in team workflows.

Optus

Malvern East, Victoria

Sales Representative

November 2022 – June 2023

- Exceeded monthly sales targets by 3% on average through applying management feedback and applying sales strategy.
- Raised Net Promoter Score from 7 to 9 within one month by coaching peers how to improve customer satisfaction.

LEADERSHIP & SERVICE

Knox City Council
